Local Boy Scouts Are Receiving Swimming Lessons At Air Base

Local Boy Scouts are being given swimming lessons at Hondo Air Base swimming pool during summer months. Arrangements for boys to swim in the pool were made through the cooperation of Ralph Jones and Jean Ulbrich, scoutmasters, and Lt. Col. George E. Reinburg, base commander.

Cadet Frank O'Neill, a student at the air base, has volunteered his services in teaching the young scouts how to swim. Meetings start at 7 each Thursday night and last for two hours.

"More adults are needed to help supervise these boys," Jones said.

C of C, City Will Sponsor Barbecue

The Hondo City Council and Chamber of Commerce will co-sponsor a barbecue for cadet and student officers at Hondo Air Base tonight.

City officials will do the serving, beginning at 7 p. m. at Hondo Air Base picnic grounds.

The barbecue is served twice yearly, allowing all students at the base to participate in at least one while they are stationed in Hondo, according to Mrs. G. O. Braden, secretary of the Chamber of Commerce.

It is strictly a stag affair for military personnel at the base. Barbecue with all the trimmings will be served, Mrs. Braden said.

Castroville To Vaccinate Loose Dogs

Wednesday, June 13, has been designated Dog Vaccination Day in Castroville.

A licensed veterinarian will be in Castroville Wednesday from 1-4 p. m. to vaccinate all dogs in the city. A minimum fee of \$2 per animal will be charged.

Notices in both English and Spanish are being mailed to all known dog owners to stress the importance of this service.

The dog population in Castroville is estimated at well over 100 animals, according to Mrs. Charlotte Lafferty, city secretary.

"The City Council is very hopeful this drive will go a long way toward eliminating the danger of rabies in Castroville," Mrs. Lafferty said.

GRADUATES AWARDED

Two St. Louis High School graduates have been awarded scholarship certificates to a business college. The two students are Marilyn Haby and Arlene Bippert.

Air Base Ex-Cadet Crashes

Second Lieutenant Robert H. P. Jenkins, a student in Class 57-B at Hondo Air Base, was killed when the plane he was training in crashed into another near Greenville Air Force Base, Miss., Saturday.

Lt. Jenkins, who was active in the Methodist Youth Fellowship here, left Hondo in May of this year. His instructor at the air base was A. G. Padgett.

He had one of the highest Flying T Scores of the entire class, which numbered 73.

Born Sept. 6, 1934, Lt. Jenkins was a Presbyterian and single. His father is a professor at the University of Arkansas, where young Jenkins was graduated and commissioned June 4, 1955. His father's address is H. P. B. Jenkins, 628 W. Maple, Fayetteville, Ark.

Jenkins, who majored in mechanical engineering, was president of the Student Body and a cadet colonel in the ROTC while in college. He delivered the evening message several times at the local Methodist Church, planning to later become a minister.

Funeral services were held Tuesday afternoon in Fayetteville.

B&PW Club To Install New Officers

New officers of the Hondo Business and Professional Women's Club will be installed at the next regular meeting Monday.

The newly elected officers are: Mrs. Reno Stanga, president; Mrs. Robert L. Cosgrove, recording secretary; Mrs. Erna Martin, treasurer; and Mrs. Ruth Killingsworth, corresponding secretary.

A dinner is planned for the regular meeting and installation.

Seven Leave OLGs After Graduation

Seven students have been granted diplomas from Our Lady of Guadalupe School.

The students are Epifania Alacios, Lucia Pimentel, Rosalinda Pedraza, Carmen Gonzales, Ernesto Yuarate, Jesus Rodriguez and Willie Hernandez.

A party, honoring students and parents, was given after graduation. A movie at Guadalupe Hall was shown by M&M Jesus S. Dominguez.

Mrs. Oralia Arcos served cold drinks and cake at the party. Honor guests at the party were the sisters of Our Lady of Guadalupe School.

Sergeants Look For Eligible Boys

The Air Force and Army are moving in on Hondo teen-agers each Tuesday of the month.

Sgt. Luther R. Burton, Army, and Sgt. Lee R. Rankin, Air Force, have offices located in the Hondo Post Office on Tuesdays. Burton is here on the first and third Tuesday while Rankin comes each week.

Both of the recruiting men are out of Uvalde.

City Council

The Hondo City Council will meet at 7:30 p. m. June 14 at the City Offices Building. Traffic fines and new ordinances concerning traffic will be taken up at the meeting.

News Arrives Following Meeting At Wright-Patterson Thursday

Local Woman Retires From Telephone Co.

Mrs. Agnes N. Tomerlin, telephone senior operator, has retired, after 28 years service, 12 of those years in Hondo.

She has been with the Southwestern Bell Telephone Company in Uvalde, Pearsall and Centerpoint, moving to Hondo from Centerpoint.

More than 35 guests called on Mrs. Tomerlin at an open house Friday afternoon. Operators at the telephone company presented her a "money" plant to help her hobby of stamp collecting.

The telephone company presented her a leather billfold and life membership in Telephone Pioneers.

Punch and cake were served at the open house Friday.

Texas Aviation Industries will probably have its contract renewed following a meeting in Dayton last Thursday, according to Walter Gunstream, general manager.

Gunstream, with H. B. Zachry, TAI president; Elmo Pope, controller; W. S. Porter, Air Force contracting officer; and Lt. Col. George Reinburg, base commander, met with Air Material Command officials at Wright-Patterson Air Base in Dayton, Ohio Thursday.

The new contract has been agreed on but details still have to be worked out, Gunstream said. The contract still has to be signed, he added.

The new contract, which becomes effective July 1, will probably arrive at TAI in about 10 days.

Hondo Air Base was officially reactivated June 5, 1951, with a small complement of military personnel and seven employees for TAI.

Today, the air base has 550 military personnel, both student and regular air force officers, and 750 civilian employees.

Officials at the base said present policies would probably be followed and no major changes adopted at present time.

SCENT UP WHILE CENT STAYS SAME

'Tis an ill wind that blows nobody good — to misquote Bill Shakespeare — and last Friday, E. R. Leinweber Co. was sure they'd met up with the illest of winds.

It was of some small comfort to the clerks that it wasn't the merchandise or any feeling of antipathy toward them that caused the customers to go around holding their noses.

It was either a feeling of exuberance or phewry that caused the skunk to scent his sights on Leinweber's and those who visited the store Friday will testify to his marksmanship.

Despite the fact that people rushed out about as fast as they rushed in, Leinwebers reports that in dollars and cents, the day ran about the same in dollars but a little heavier on the scents.

Band, Twirling School Band Students Attend Meeting

Four Hondo students have registered for McMurry College's eighth annual summer band and twirling school, to be held on the McMurry campus July 15-28.

They are Joylene R. Tilley, daughter of M&M Joy L. Tilley Jr., 2908 Ave. H, Richard W. Corde, son of M&M Robert R. Corde, 1211 29th St.; and Connie and Roxene Schweers, daughters of M&M M. F. Schweers, 1159 24th St.

Raymond T. Bynum, professor of music and director of the Indian Band at McMurry, said that 157 young people from 34 Texas towns and cities had sent in registration fees through June 1 for the school.

Final registration is expected to top last year's record enrollment of 370 students, Bynum said. The students will be housed in McMurry dormitories and will take their meals in the college dining hall.

Hondo Boys Participating In Training

John W. Meyer, son of M & M B. Meyer, and David F. Doler, son of M & M B. H. Doler, are two of 300 Civil Air Patrol Cadets participating in a summer training encampment at Goodfellow Air Force Base, San Angelo.

Both of the boys are students at Hondo High School.

Augmenting the full schedule will be a daily social calendar of events including barbecues, at Goodfellow Recreation Camp swimming, parties and a picnic at Lake Nasworthy.

They will follow a training program designed to stimulate regular aviation pre-cadet training.

The public is invited to attend.

THE HONDO HEAVY Mortar Company Day parade last Wednesday. A formal program was held afterwards.

MEDINA CO. FB MEETING SET MONDAY

The Medina County Farm Bureau will meet in the Hondo Courtroom Monday night at 8. Leon Lane will discuss the Farm Soil Bank Plan, which was recently passed by Congress.

C. B. Gaston, Medina County Agent, will explain in detail how to fill out the federal gas tax Exemption Blanks which must be filled by all persons eligible for a tax refund on gasoline purchased. These blanks will be distributed to all persons present at the meeting.

The Bank-Night drawing will be for \$10. Members must be present at the drawing in order to win, according to Mrs. Alvin Bulzen, secretary.

The public is invited to attend.

Social Security Can Be Discussed Tuesday Morning

William Watson, social security agent from San Antonio, will be in Hondo Tuesday. He will be located in the District Courtroom starting at 9:30 a. m., and welcomes anyone with a social security problem.

TAKES A LOOK AT THE DIARY
OF A FEDERAL ARMY SOLDIER
AS KEPT THROUGH THE YEAR OF 1865

A RARE AND CHERISHED

RELIC

Mrs. J. W. Crow, nee Olive Getter, is the proud possessor of a relic that is unique in that it has no duplicate.

There may be others similar to hers; but it is certain that there is none just like it, for there was never but this one.

The article under discussion is a much-worn and sadly time-faded personal diary kept by her father, Origen Henry Getter, while a soldier in the Federal Army during the Civil War.

Written across the top of the first page in a bold hand, characteristic of the "goose-quill" penmanship of that day, before the Spencerian pen had been invented is his name, followed by this notation: "Co. H, 4th Mich. V.V. Detached and with the 1st Mich. Vet. Hvy." There follows other notations on the same page which have faded beyond legibility.

On the second page is another almost faded out notation from which we glean enough to conclude that he had been transferred to the Army of the Potomac, and that the time was near the end of the war is born out by the fact that the next or title page carried, in bold-face type, this inscription: "Daily pocket Remembrances for 1865 for the trade."

Then follows eleven closely printed pages giving a most complete calendar for the year 1865, together with considerable miscellaneous matter calculated to be useful to one interested in events of the passing time.

The first entry, on Sunday, January 1, 1865, we decipher as follows:

"Nothing worthy of notice. Had a view of my old book; one which had for one year kept me company through all—like parting with an old friend."

Monday 2. "Last night was the coldest night of the season. The non-commissioned officers called on Gen. Bartlett and drank a glass of punch which was quite potent."

For several pages follows mostly mention of the weather which seemed to be sustaining Virginia's reputation for severe winters.

Feb. 8, "Dean cooked for me. Was very sick. Rained all day." And on the 4th, this: "Quite pleasant. Orders to pack up and be ready to move at a moments notice."

And so day after day, for that eventful year of 1865, is recorded the events in a soldier's life, but if legibility would permit (which alas, time has seriously defaced), limitations of space will not permit us to quote more extensively.

Much of the more extensive entries are made in lead pencil and some are completely faded out.

The last decipherable words for Saturday, July 29 are: "hot and dry." Then follows a number of blank pages, interspersed here and there with a brief penciled sketch.

Then on Tuesday, Sept. 8, he

COUNTY AGENT NEWS

By C. B. Gaston

Through an agreement with the U. S. Treasury Department, County Agricultural Agents are assuming the responsibility of getting Federal Gasoline Tax Refund claim forms in the hands of the farmers. This refund will apply to gasoline purchased the first six months of this year and will amount to two cents per gallon. These claim forms are to be completed after June 30 or before Sept. 30, 1956. After this time the refund will be made on an annual basis from July 1 to June 30 each year.

The claim forms are very simple, but farmers are warned to keep all necessary papers to substantiate the claims. The forms will be available in the office of the county agent, banks, and the County ASC office.

Annual Round-Up

The annual State 4-H Club Round-Up held at A & M College from June 12 through 15 will be attended by the county agent and J. H. Stiegler and Donald Muenink, both of Hondo, as delegates.

A new publication, L-255, Guide for Controlling Insects on Vegetable Crops in Texas-1956, is now available. Several have requested this publication since it has been received in the office of the county agent.

When daytime temperatures hit 90 degrees, egg quality will hit the skids unless egg producers make some changes in management practices.

From now until cool weather in the fall, refrigeration is a must if high egg quality is to be maintained. Fifty-five degrees F is the optimum temperature for maintaining proper egg environment. Too, eggs must be gathered more often during hot weather with three times a day gathering as a minimum.

SECO PHILOSOPHER

Editor's note: The Seco Philosopher on his Johnson Grass farm probably has his banking terms mixed up, his letter this week indicates.

Dear editor:

I ran across an item in the paper the other day, well actually I didn't run across it, at the time I was sitting under a tree in the shade out here thumbing through a newspaper and it just showed up before me, which appeals to me.

According to it, a foreign affairs expert in Washington was arguing that the United States ought to get busy and loan some money to a list of countries he'd been investigating because, he said, if we don't Russia will. The fact that the loans might not be any good when the time came to pay them back didn't enter into it, the idea was to loan them some money before Russia did.

Now there's a type of banking I admire and I wonder why the banks in this country can't rise above their narrow, local viewpoint and get up on the international level.

Take two competing banks. If they'd practice international banking and try to beat each other to a shaky customer just to keep the other one from getting to him, you'd find the wheels of business around here beginning to spin.

Banking with an international flavor is what this country needs, or at least what I need. How much lending business do you think Washington would do with other countries if it applied the narrow rules private bankers use? Make the loan before somebody else does and worry about the paying back later. That's the system I'd like to see put into effect.

One week of this kind of banking and you'd see more merchandise moved off the shelves than you've seen in years, but most bankers just can't see it that way, and even if they could, their stock holders couldn't.

If you hear though of any banker getting up on the international level around here and trying to do as somebody else does, let me know. I'd like to get there before the money's all gone.

PERSONAL APPEARANCE

By Jerry June Berger

We mentioned in our column of a couple of weeks back that we saw an air force recruiter in the post office carefully scrutinizing the pictures of male students in our annual graduation edition.

Now this past week, two men from navy recruiting were in to get a copy of that issue of the paper and they too began pouring over the list of "eligibles". Bet there are some popular 18 year olds in the county about now.

PA

Speaking of the services reminds us of the fine record that RAYBURN CORDER, son of the BOB CORDERS, is making in navy boot camp in California. The field of electronics is ordinarily limited to high school graduates, but RAYBURN made such an outstanding showing on preliminary tests that he is being allowed to go into the field and will be able to finish his high school work too.

ELAINE MCDANIEL was one unhappy 13 year old Wednesday night. It wasn't that she minded moving from Hondo so much, but when they had everything packed and were ready to drive off, her pet cat ran away and she could not find him.

She left a note in the Methodist parsonage which read, "To whom it may concern: Please take care of my cat and feed him 'til I can come back to Hondo and get him." She ended by signing her name and her new address in San Angelo, where her dad, the REV. L. A. MCDANIEL, has been assigned to Trinity Church.

The new minister and his family, the REV. AND MRS. HAROLD GOODENOUGH and two daughters moved into the parsonage Thursday morning and Cathleen, almost five years old, lost no time in making friends with the kitty.

JEANNIE HOLLOWAY, daughter of the TOMMY HOLLOWAYS accompanied the MCDANIELS to their new home. So maybe when she returns to Hondo ELAINE may be able to pick up her cat.

PA

We didn't hear it from SAM LANHAM, but we understand that he has publicly admitted that MRS. PAUL POPE is raising some dahlias as big as his whoppers. That is quite an admission considering that he introduced the big beauties to Hondo a few years back, and supplied MRS. POPE with her bulbs.

We'll not enter into that discussion except to say that any flower lover is missing a treat if they do not drive by both the POPE and LANHAM homes to see their dahlias. Some of them are big as plates—honestly!

Want to take the wheel of one of America's few great road cars?
Want to send pleasant little tingles up and down your spine? Want to drive the new car that politely murmurs "Move over, big boy" to the high-priced jobs? Then hustle on in and try out a new Chevrolet V8!

Now showing—the happiest "double feature" of the year! One part is bold, new Motoramic styling. The other is record-breaking V8 action.

Hollywood has a heap of words that describe it: colossal, stupendous, magnificent. We'll settle for just the name—Chevrolet.

Because once you've driven this sweet-handling showboat, the adjectives will take

care of themselves. Once you've sampled Chevy's hair-trigger reflexes and nailed-down stability, you'll see why it's one of the few great road cars built today!

Horsepower that ranges up to 225 makes hills flatter and saves precious seconds for safer passing. And this new Chevrolet clings to curves like part of the pavement.

Stop in sometime soon and highway-test this record-breaking new Chevrolet.

PERFORMANCE

makes Ford V-8's outsell all other 8-cylinder trucks combined

ONLY FORD, among the four leading truck manufacturers, gives you a full line of V-8 engines that are performance-tailored to the job.

This benefit is most pronounced in the 1/2- through 2 1/2-ton trucks where Ford has five V-8 power choices, as compared to a maximum of two for the others. Also, Ford offers performance where it really counts—with the most usable horsepower in the 2 1/2-ton field.

All in all, Ford provides seven Short Stroke V-8 engines to match its full line, ranging from Pickups to 65,000 lb. tandem-axle Big Jobs.

No other truck V-8's offer such a combination of advancements for ruggedness and longer engine life—for example, sodium-cooled exhaust valves that run up to 225° cooler, new tungsten-cobalt valve seat inserts that are all but wearproof, deeper Y-block for more rigid bearing support and smoother performance.

No other manufacturer comes anywhere near Ford's long experience in building V-8 engines. Out of this experience Ford has designed

the line of engines that is revolutionizing truck performance today. Only Ford has the facilities for producing this modern line of proven Short Stroke V-8 engines at the price and in the quantities needed for today's power-conscious truck market.

See your Ford Dealer today! Ask him to show you the new Lifeguard Safety features, such as the deep-center steering wheel and double-grip door latches—features that only Ford offers!

FOR A LIFETIME Give A Portable Typewriter

After Graduation WHAT?

Yes, what will that graduate of yours be doing after graduation? Right to work in an office, a trade, sales work? Or will your graduate be going on to college this fall? In this age of mechanization and automation the ability to type is a "must."

Almost 90% of all high school graduates today know how to type. Don't let your graduate lose that valuable ability due to lack of practice.

Give that graduate a new portable typewriter for his or her graduation gift and give them a tangible boost to their new skill in typing.

Your graduate will thank you now for a lifetime for your thoughtful remembrance of him at graduation time. And from now on he will remember you as having said "well done — we're proud of you" in the best possible way that you could express that feeling.

Smith-Corona

Come in and look over the complete Smith-Corona Line of portable typewriters. In this line there are 5 models to choose from. Large or small type or a selection of special type faces. Color too! Erline Lutz Married In Hondo May 26 To Raymond Mumme

St. John's Catholic Church was the scene of the uniting of Miss Erline Lutz, daughter of M&M Erwin Lutz, and Raymond Mumme Jr., son of M&M Raymond Mumme, May 26. Rev. B. F. Bonazza officiated at the double ring rites. The altar was decorated with white gladiolas. The bride, who was given in marriage by her father, wore a floor length gown, fashioned with a fitted torso bodice of chantilly lace with a caloped neckline. Long sleeves tapered to points over the wrists. The full skirt was all lace over taffeta and her fingertip veil was

sheered to a pearl beaded lace crown. She carried a bouquet of five butterfly orchids scattered with carnations. Miss Jeanalee Lutz, sister of the bride, was maid of honor. Misses Barbara Kempf and Maxine Miss Dorothy Lee Mumme was a junior bridesmaid. Susan Rothe, niece of the bride, was flower girl. They wore ballerina length dresses of yellow lace over gold taffeta with a yellow tulle stole. Hats were circular crowns sheered with yellow tulle and flowers. They carried bouquets of pale blue carnations. Charles Anderson, cousin to the groom, was best man. Groomsmen were Horace Britsch and Clyde Lutz. Charles Hitzfelder Jr. was junior groomsmen and Bobby May, nephew of the bride, was ring bearer. They wore dinner suits with white carnations. Charles Hitzfelder and Paul Lutz were ushers. The bride's mother wore navy crepe with pink accessories while the groom's mother chose pink and white. A reception, immediately following the wedding, was held at St. John's Parish Hall. White gladiolas decorated the hall. Mrs. Joe Rothe registered guests. The three-tiered wedding cake was adorned with a miniature bride and groom and dainty flowers. Mrs. Dorothy May served cake at the reception. The couple departed in the afternoon for a wedding trip to Houston, San Jacinto Battlefield and Galveston. They will make their home in Hondo after returning. The bride is employed as a bookkeeper at the Hondo National Bank and the groom is an employee of Universal-Rundle Corporation.

Mr. and Mrs. Martin Burrell Persyn-Burrell Rites Read At Saint John Berchmans

Margaret Louise Persyn, daughter of Mrs. Olin M. Persyn, became the bride of Martin A. Burrell May 28 in St. John Berchmans Church, San Antonio. The bridegroom is the son of M&M F. Burrell of San Antonio. Rev. Albert de Zaeytvd officiated in the rites. Given in marriage by her father, George Persyn, the bride wore a gown of white chantilly lace and tulle. The fitted lace bodice had long tapering sleeves of a scalloped V-neckline with a scalloped effect at the back. A caloped edged lace apron, short front and dipping to the floor on the sides, was over the bouffant floor length tulle skirt. Her fingertip illusion veil was edged with a Juliet cap of lace and dotted with sequins. She carried a white orchid with

Miss Nelma Janice Diehl, daughter of M&M N. R. Diehl of Hondo, became the bride of James Donald Barge, son of M&M D. Barge of Grand Prairie, at a double ring ceremony in the Methodist Church, Hondo, Saturday. Rev. H. S. Goodenough read the ceremonies. The bride was given in marriage by her father. She wore a blue embroidered dress with white accessories. The bride carried a white bouquet and wore a corsage of white carnations and pink rosebuds. A tulle head-dress of white flowers and a tiny bangs veil completed the bride's ensemble. Miss Joan Rieber, wearing a pink dress with white accessories and a corsage of white carnations, was maid of honor. Rex E. Roush, best man and Dorman R. Berman served as usher. The bride's mother wore a primrose green nylon dress with white accessories and a corsage of white carnations. A reception, immediately following the wedding, was held in the home of the bride's parents. White gladiolas and red verbenas decorated the register table which was covered with a white cloth.

Herman Neys Hold Silver Wedding Date

HONDO — M&M Herman J. Neys observed their silver wedding anniversary in their home Saturday with a barbecue luncheon for about 100 guests. The couple and their children attended 7 a.m. Mass which was read by Rev. O. B. Kahlich for their intention in Holy Cross church, where they were married May, 1931. Their attendants excepted James Ferguson of Houston were present for the occasion. Others were as follows:

Miss Cornwell Announces Engagement

M&M Rex Cornwell, Salina, Kansas, have announced the engagement of their daughter, Carolyn June, to First Lieutenant Mario C. Faseler, son of Mrs. Lewis F. Faseler, Yancey. Miss Cornwell is a junior at Kansas Wesleyan University where she is a member of Delta Kappa Chi sorority. Lt. Faseler attended Southwest Texas State College, San Marcos, and is now serving with the Fortieth Bombardment Wing, Smoky Hill Air Force Base, Salina, Kansas. The couple are planning a fall wedding.

Local Girl Given Award By Magazine

Norma Gaye Griggs, valedictorian of the graduating class at Castroville High School, has received an annual award given by a national magazine. According to A. L. Herring, superintendent, the award is given to students whose successful school work give promise of attaining leadership in the community. Miss Griggs, daughter of M&M Wendell Griggs, will receive a subscription to the magazine for one year and an engraved certificate from the editors "In recognition of past accomplishment and in anticipation of unusual achievement to come." The award was made possible through the cooperation of Herring and his teaching staff who selected Miss Griggs for the award.

Taylor's Entertain

M&M Ray Taylor entertained eight of their children, 14 grandchildren and four great grandchildren at a barbecue last Sunday. The meetings were held at the Adolphus, Baker and Dallas Hondo guests of Mrs. Erna Martin. M&M Clinton Taylor returned to Westminster, Calif., Monday after a visit with the Ray Taylors. Paula Hoag, Castroville, returned with them for a month's visit and will fly back home. M&M Earmon Taylor, Socorro, N. M., returned home after a visit with the Ray Taylors. M&M Merlin Heyen and daughter, Mary Lou, and Mrs. W. L. Taylor visited Mrs. Taylor's cousins, M&M Frank Mallory in Dallas. M&M William Metzger, Corpus Christi, is visiting her daughter and son-in-law, M&M W. L. Taylor. Mrs. Louis Swenson and children, Pauline and Gregory, left San Antonio by plane June 1, for New York where they boarded a plane for London, England. They will visit her mother, Mrs. Gladys Bray, at Buckfastleigh, England, and other relatives and friends. M&M Thomas Fohn and daughters of Tyler, visited M&M Alex tells. They returned to Hondo on Memorial Day. M&M Earl Martin and daughter from Pleasanton and Travis Martin and daughter from Williamson, N. C., were weekend Wendland, M&M Maurice Fohn and Emil Fohn, their aunts and uncles, during the weekend. They also visited M&M Walter Krause, M&M Frank Fohn and Mrs. Annie Lewis of San Antonio. They are also aunts and uncles. Mrs. Bob Kollman has just returned from a trip to Denver, Colo., for a visit with her daughter and son-in-law, Capt. and Mrs. Robert B. Moore. Capt. Moore is an instructor at the United States Air Academy. M&M Arthur A. Wiede made the trip with Mrs. Kollman, and Marcia Kay Moore, five year old grand-daughter of Mrs. Kollman, returned to Hondo for a visit here. Rain poured on the trio as they stopped in Amarillo for a one night stay on the trip to Denver.

THE CAMP FIRE GIRLS wait patiently for the beginning of Hondo's Memorial Day parade. The parade began in Memorial Plaza, where tribute was paid to the county's deceased service men. The Hondo Heavy Mortar Company also participated in the ceremonies.

"THERE IS A SUCKER BORN EVERY MINUTE"

There is a growing effort, by get-rich-quick, to devise methods of selling vitamins and other medicines in places that do not have a pharmacy license. There are many laws, that we pharmacists gladly observe, which protect you. We had to attend a College of Pharmacy, where we were also taught how best to preserve the potency of any medicine. Judge carefully the claims of glib door-to-door salesman, here today, and gone tomorrow. Be Wise! Be Safe! Let our pharmacy license and reputation protect you.

WNR Sales Office Opens

A new sales office to promote new business for weekly newspapers in the South and Southwest will be opened soon at Atlanta, Georgia, by Weekly Newspaper Representatives, Inc.

The decision was reached by the WNR Board of Directors at a special meeting held April 27-28 at WNR's new national headquarters, 404 Fifth Avenue, New York City. WNR is wholly owned by the National Editorial Association. Since the national association receives no dividends, all net earnings are being used in 1956 to finance a major expansion of the WNR sales program.

Paul C. Smith, WNR president, explained that the Atlanta office will serve a growing area in the South and Southwest. The board advised the WNR operating committee, headed by Glenn McNeil of Tennessee, to proceed at once in setting up the Atlanta office. McNeil is secretary-man-a-gar of the Tennessee Press Association and its business affiliate, Tennessee Press Service, Inc. He is chairman of the WNR operating committee and also WNR secretary-treasurer.

"The Atlanta sales office is a direct recognition by WNR of the South and Southwest as an important potential for development of new national advertising lineage," said McNeil.

"This area has experienced substantial growth since World War II. We feel WNR can develop new national advertising accounts for weekly newspapers from its Atlanta office. In time WNR hopes that the growth of business will permit the opening of a second office in the region to serve weekly newspapers in the Southwest perhaps from Dallas, Texas.

"In the meanwhile, WNR intends to grow with the South and Southwest by opening a sales office in Atlanta."

WNR now maintains regional selling offices at Detroit and Chicago in addition to national headquarters in New York City. The WNR board also authorized opening of a sales office in California to serve weekly newspapers on the Pacific coast and Rocky mountain area.

ON FLAG DAY

We observe June 14 as Flag Day because it was on that date in 1777 that the Stars and Stripes, by resolution of the Continental Congress, came into being, with "thirteen stripes of alternate red and white, with a union of thirteen stars of white in a blue field, representing the new constellation" skies.

Our flag was first carried by American troops in the Battle of the Brandywine the following September, and tradition says the first Old Glory was made by Betsy Ross, of Philadelphia, at General Washington's request.

Four FFA Members Elected

Four Medina County Future Farmers of America have been nominated by Area VII delegates, meeting in San Marcos, to receive the Lone Star Farmer Degree in July. The degrees will be presented at the State Convention in Dallas.

Arlen Graff, Hondo; Jerome L. Hitzfelder, LaCoste; J. Othell Batto and Joe Langfeld, D'Hanis, are the county youth nominated for the honor. This degree is limited to the top two per cent of state FFA membership and is the highest awarded by the state association.

Successful applicants must have an outstanding leadership record in their chapter, school and community; have in operation an outstanding farming or ranching program; have completed a minimum of two full calendar years of Vocational Agriculture; have earned from farming operations, at least \$500; and have participated in an outstanding way in the various activities of his local chapter.

Final choice as to winners will be made at the state convention in Dallas July 25-27.

Highlights and Sidelights FROM Your te CAPITOL

Nearly 100,000 men up the fight. Railroad attorneys and Atty. Gen. John Ben Shepperd contend that the U. S. Supreme Court decision on a Nebraska law did not touch on the constitution and issues involved in Texas. This was pointed out in a supplemental brief filed last week with the Texas Supreme Court.

A ruling is expected soon from the state's high court on the hard-fought "Amarillo case" involving railroad unions' right to demand closed shop contracts. Union leaders interpret the U. S. Court ruling as knocking out state anti-closed shop laws in the railroad industry. Shepperd and railroad lawyers say the decision, if anything, strengthens the case for the Texas law.

HIGHER AND HIGHER LEARNING—A rising skyline has been proposed to meet the University of Texas' critical classroom needs.

Pres. Logan Wilson suggests that the only two remaining sites on the original 40-acre campus be used for eight-story buildings. Most present buildings have four floors. For development five to ten years hence, Dr. Wilson recommends expanding to the east of the present campus in the area adjacent to Memorial Stadium.

"TV TRIAL" APPEALED—Fairness of the first televised murder trial in Texas history is being challenged in the Court of Criminal Appeals.

Defense attorneys charge that Dist. Atty. Tom Moore of Waco was more interested in "putting on a show" in the Waco trial of Harry L. Washburn, than in giving the man a fair trial.

LAW VIOLATION ADMITTED—Violation of Texas Election laws was admitted by C. T. Johnson in a deposition just taken in Austin. Johnson admitted spending \$1,200 in travel expenses during his 1954 campaign for Lt. Governor, but reported only \$125 to the Secretary of State. Previously he had testified under oath that he had spent "no more and no less" than \$125.

TRUST CREDITORS FACE TANGLE—US Trust and Guaranty Co. depositors still may have a long, weary wait for their money.

At one time State Liquidator J. D. Wheeler said he hoped to be able to start making partial payments after July 1. With that in mind a Fort Worth woman now seeks court action to designate her a preferred creditor because she is a depositor.

Dist. Judge Charles O. Betts pointed out proper procedure is first to seek priority with the receiver. If he refuses, creditors may appeal through the courts. This takes months, sometimes years.

SHORT SNORTS—Walter L. Bell has resigned as director of the State Board of Control effective Oct. 15. He has held the job since 1953. He has no immediate plans except to return to his Ft. Worth home and rest. The Rev. James Hamilton Clark, chaplain of the Texas House of Representatives for the past 10 years, has passed away. He had been a Methodist minister in various South and Central Texas towns and served seven terms as county judge in Johnson City before becoming House chaplain.

Texas Health Commissioner Henry Holle reported that "Practically all" nursing and custodial care homes in Texas have been licensed and are meeting requirements of the licensing law which became effective June 1, 1953. Texas has 466 homes under state license.

Ben Ramsey States Issues For Re-Election Campaign

Soil and water conservation and greater protection for Texas families through good services and stability in government are the major issues on which Lt. Gov. Ben Ramsey will campaign for re-election this summer.

Ramsey, who is touring the state preparatory to officially opening his campaign, said, "Soil is the storehouse of agriculture and industry. Water is the key to both."

"People throughout Texas have made great strides in soil and water saving practices in the past 10 years," he added. "The state must give full assistance to equitable plans for conservation at the local level if we are to maintain a sound economy and reach our true potential."

On plans for protection of Texas families, Ramsey said the government must effect rigid rules of conduct and exacting controls over blind forces of influence. Ramsey cited the need for (1) strict curbs on lobbying, (2) stiff narcotic penalties, with life imprisonment or death penalty

BOHMFALK NAMED TO OFFICE

Clyde Bohmfalk, son of M&M Frederick Bohmfalk, Hondo, was elected a vice-president of the Area VII Future Farmers of America at their recent meeting in San Marcos.

Othell Batlo, D'Hanis, also was elected to the same office.

Jimmy Putman, Natalia, participated in a public speaking contest during the convention. Lawrence Voigt, Luling, won the contest and will represent Area VII during the state convention in Dallas, July 25-27.

Publisher Elected By FFA

Bill Berger, publisher of the Anvil Herald, has been nominated to receive an honorary State Farmer degree by the Area VII Future Farmers of America, meeting in San Marcos recently.

C. T. Holekamp, wool warehouse man of Junction; K. O. Ellington, superintendent of Melvin schools; Charles Zimmerhanel, meat processor of Taylor; and Charles Warnken, peanut warehouseman of Poth, were also recommended for the degree. The award is being given for outstanding leadership and cooperation for the Future Farmer organization above the local level.

Vocational agriculture teachers recommended for the Lone Star Farmer award include James A. Gillant of Medina; Foy Page of Marble Falls, B.C. McDonald of Natalia, Tom Galbreath of Taylor and Roy Buffington of Gonzales. The award is being given for outstanding leadership in carrying on the Future Farmer program with boys in the schools where they teach.

The Lone Star degree will be awarded each of these men by officers of the Texas Future Farmer organization at the state convention at Dallas in July.

Ag Teacher Will Receive FFA Award

John McAnelly, vocational agriculture teacher here, and the Anvil Herald will receive awards from the Area VII Future Farmers of America, following their recent meeting in San Marcos.

The group selected McAnelly for the award for an "outstanding publicity job with newspapers on a local level." The Herald award will be for its cooperation with McAnelly.

J. D. Hampton of Brady was selected for an award, having done an outstanding publicity job with radio. The Brady radio station, KNEL, will also receive an award for its cooperation with Hampton.

Buick's new
*Variable Pitch
Dynaflow!*

IT TAKES a new word to describe the magic at your command when you drive a '56 Buick—with the newest transmission of them all.

It's full power go-ahead on the instant. You can get where you were just looking in a shaved second's time—with the most modern and most thrilling surge of safety acceleration in the land today.

It's smoothness, too. Complete freedom from the "bump" and lag of gears shifting. Only with Dynaflow can you go winging away with so smooth a sweep.

And only with a '56 Buick can you enjoy Dynaflow's newest marvel. The engineers call it "double regeneration." Lets you start off like an Olympic sprinter, with the pedal pressed just an inch or less. (And driving that way, you get better gas mileage.)

There's more big news, too, that goes with this new Buick magic. And that covers a lot more than styling.

Sure—you'll like the graceful new beauty of the V-shaped prow and sweep-ahead look. And you'll like the extra room inside.

But as you drive you'll find that this Buick responds with the new might of a big, record-powered V8 engine of 322-cubic-inch heft.

It handles easy as butter to a warm knife. Tracks the curves like a plane on the beam. Makes any road seem paved with pillows.

And what's responsible for all this are more new engineering advances than Buick has ever made in one model year.

So why not come in and see—and feel—the difference they make? You'll soon know why owners find it's the best Buick yet—and the best buy yet, by far.

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.*

Life In Yancey

Club Girls Perform

By Mrs. Harrison Wilson

The Yancey Home Demonstration Club, following a brief business meeting last week, were entertained by the Natalia 4-H Club girls.

The right light in the right place for sewing was given by Beverly Flock and Sonia Pruitt. They showed the advantage of having a floor lamp the proper height and the right size bulbs and shade in the right place to make sewing easier on the eyes and to do a better job.

Beverly, Sonia and Mrs. Flock, the sponsor, will attend Round Up at College Station June 12, 13 and 14.

Dona Fluegge and Marilyn Low's safety demonstration was on what to keep in a family medicine cabinet and what should be discarded. They stressed removing and destroying unused prescriptions at once.

Barbara Hurry and Veronica Davis served as recreation leaders—they had everyone take part in the Beau and Buzz game.

Mrs. Ray Nixon, hostess, served refreshments, cookies and sandwiches to the group.

Mrs. John Forist of College Station spent last week with her parents, M&M B. D. Bomba.

M&M Leroy McCaughan and Jim spent the weekend with Mrs. E. E. Wilson.

M&M W. S. Garnett Jr. and family of Victoria, left for their home Saturday, after spending the week with his parents and the Armstrongs in Devine.

M&M Alfred Wiemers went

with their son-in-law Melvin Small, of San Antonio to Graton, Conn. to see their daughter and family, M & M Dean Hawes, Dwayne and Dixie Lee.

Mr. Small was making a business trip near that city and the Wiemers could not refuse when invited to go along as they had never seen the grand daughter, Dixie Lee. They reported the country beautiful and green there—they drove in rain much of the time.

M&M Alfred Boggus and family were in Uvalde Sunday for the day with his mother, Mrs. J. W. Boggus and sister Mrs. Hester Lidsey.

Sandra and Linda Modgling of Sabinal are spending the week with th Alfred Boggus family and will attend Vacation Bible school.

Mrs. E. T. Wiemers and Gene went to Campbellton Friday to spend the week with her daughter, Mrs. Fred Allen.

M&M Fielding boys spent Thursday with his mother, Wiemers.

Guests for a birthday party at M&M Fielding's Saturday night were Mummie and family, M&M Jimmie and family.

Mrs. Kennedy is visiting her grandmother the Sam Kennedy family.

Castroville Girls Study

Nature, Play

The No-we-tom-pat-im-min (We friends) Campfire Girls of Castroville, recently hiked at Berd Biediger's place.

The day was devoted to games and nature study. Each girl presented the group a new game. Nature study was in the form of a scavenger hunt for plants and rocks.

More nature study was presented when hostess Barbara Biediger and her brother, Dennis, took the girls to visit flowing springs on the place. A lesson in marksmanship was also

One of our favorite auburn heads, little Linda Diehl, was a perfect darling at her sister Janice's wedding. That teal blue dress with its wide accordion-pleated skirt was a pleasing complement to her lovely hair and big brown eyes.

Major Legislation Takes Long Spurt

By Joe Kilgore

AS JUNE ROLLS AROUND and the weather gets hotter, the major legislation of the Congress has taken quite a spurt. The Soil Bank is now law. I had hoped the Senate would keep the provision we put in by amendment on the House floor to include a range lands. However, they apparently thought it would be unworkable. Other than that, the bill has all the authority the Secretary of Agriculture needs to establish the Soil Bank Program. I am hopeful that if it is wisely administered, it will give immediate aid to the sagging agricultural economy. I am still of the opinion that this is not the best long range answer, but that the Administration and the Congress should put all political partisanship aside to try and develop a sound long range program.

The Highway Program took a big step along the legislative cycle when the Senate passed its version this week. Both houses will now name conferees to work out the differences between the Senate and House bills and the Highway Bill should go to the President in a week or two. On appropriations, the House has completed action on most of the major appropriations bills, with two more to be scheduled in the Senate next week. In the House we have reduced the Administration Budget request to this point by a total of nearly a billion dollars. Some of this amount was restored in conference committees, but I am quite proud of our House action.

There are still three major appropriations bills on the calendar to be considered this session. They are Mutual Security (Foreign Aid), Military Construction and the general supplemental bill for 1957. The real test will come in the first and last of these three bills. On Foreign Aid I am hopeful that we can really do some cutting. Then on the supplemental appropriation will come a fight to keep the items we have already reduced from being restored.

In short we have come a long way this session, but still have a long way to go to finish the calendar on major legislation and to protect the gains already made.

SMALL BUSINESS has been taking an awful beating during the past three years as compared with Big Business. Small Business failures during 1953-55 were up 25 per cent over the 1949-

D'Hanis Couple Celebrate Twenty-Fifty Anniversary

By Josie Rothe Finger

May was a big month for the HERMAN NEYS in several ways. Son Tommy finished the Eighth Grade, daughter Mary Agnes received her B. S. degree grand-daughter Donna Louise Poerner made her appearance in the world, and all the family joined their parents in celebrating their silver wedding anniversary. On the latter occasion, Mrs. Ney used her bride's book of 25 years ago in which to register her guests, while her first miniature bride and groom ornament now reappearing to grace her silver wedding cake.

At the recent commencement exercises at DHS, Mrs. Bernice Finger, the Erwin Lutes, and the J. M. Slaviks had children in both graduating groups - elementary and high school. After the exercises, it was a pleasure to see Judy and Joan Marie's Grandmother Slavik, who had come from Weimar for the big day, beaming over them while peering over a mountain of gifts with which she was assisting them. Another grand mother, Mrs. Thelma Raney, was showing pictures of her grandchild taken in the snow of Cape Cod, Mass. Although handicapped by deafness, she said she enjoyed the choral singing because by lip-reading Nemesio Ortiz, she could "hear" the words of the song.

contest was open to all pupils of the high school, and 44 papers were submitted. The essays, which were entirely original, were said by the judges to be of a high quality. This contest and the Memorial Day services are a few examples of worthy projects promoted by the Lions. In regard to the latter they are asking for information about any men who have been in U. S. military service and buried here. A. J. Bogg will be glad to add such information to the record.

One of our favorite auburn heads, little Linda Diehl, was a perfect darling at her sister Janice's wedding. That teal blue dress with its wide accordion-pleated skirt was a pleasing complement to her lovely hair and big brown eyes.

52 period. For the three year period of 1952-55, profits, after taxes, of the smallest businesses, with assets under \$250,000 were down 28 per cent while after tax profits of the largest businesses, those with assets over \$100,000,000 were up 61 per cent. These figures are not mine, but come from Dun and Bradstreet's "Failure Index", the Economic Report of the President, the Congressional Record and the FTC-SEC Quarterly Financial Report for Manufacturing Corporations.

UNITED STATES and Russian leaders apparently agree on one thing—Russia has impressive air power worth showing off by them and worth being seen by top American Air Force officials.

INCREDIBLE to me is the thought that should Bulganin and Khrushchev, top Russian leaders who operate some of the worst slave labor camps the world has yet known, visit Washington, one of them probably will sleep in Lincoln's bed at the White House. We can only hope that some of his philosophy of personal freedom may rub off on them.

FUNDS have been assured and now comes the next step of when construction will get under way. I have already contacted the Department of Agriculture to determine what their schedule will be. The funds will become available July 1 and I, like you, am hopeful that by then we will know what the timetable will be.

Hondo Little Leagues Kick Off 1956 Season Monday Afternoon

Hondo's future big leaguers—the Little Leaguers—take the diamond for the first time in their 1956 season Monday afternoon, June 11.

The Junior League will be the first to begin action, with team No. One, the Pirates, and team No. Two, the Tigers, kicking things off at 5:30 p.m. Monday.

Team No. One, the Indians, and team No. Four, the Phillies, will open the Senior League's season Wednesday, June 13.

"Boys who wish to become members of the Little League teams should contact a team manager," said C. D. Sadler, president of the Hondo Little Leagues.

In the Junior League, team No. One has chosen as its name the Pirates, with Maurice Zerr as manager and E. B. Vincent and Jimmy Yray his assistants.

Team No. Two is the Red Birds managed by Bill Johnson, with Ralph Jones, Jack Compton, and C. T. Wood as assistants. Team No. Three will be known as the Red Sox, and has as manager Arnold Mussman, Billy Laughinghouse is the Red Sox assistant manager.

Jack Hartung manages team No. Four, called the Giants, with Dick McWilliams and Paul Bybee playing the role of assistant managers. The Yankees, managed

by James Richter and his assistant H. Haltman are team No. Five.

Team No. Six, managed by Leo Kilmer and his assistant, Joe Embrey, calls itself the Braves. The Cardinals, or team No. Seven is tutored by Dick Notter. Lt. Clarence Shelton, Max Orta and Ted Forgy are Notter's assistants.

Lt. McDowell will direct team No. eight and J. D. Enloe will assist him. Team No. eight will be known as the Tigers.

Turning to the Senior League, team No. One boasts the name of Indians and is managed by Wayne Sigler. Glenn Schweers and Monte Williams will direct team No. Two, called the White Sox.

The Dodgers, or team No. Three, are to be managed by Arthur Gallucci and Tom Moseley, while John Tondre and Blanton Taylor will manage the Phillies, or team No. Four.

The following is a schedule of all Junior League games for the month of June: (Home teams are given first.)

Monday, June 11, Pirates vs. Tigers; Tuesday, June 12, Red Birds vs. Cardinals; Wednesday, June 13, Red Sox vs. Braves; Thursday, June 14, Giants vs. Yankees.

Monday, June 18, Red Sox vs. Giants; Tuesday, June 19, Yankees vs. Red Birds; Wednesday, June 20, Tigers vs. Braves;

Thursday, June 21, Cardinals vs. Pirates.

Monday, June 25, Giants vs. Tigers; Tuesday, June 26, Braves vs. Pirates; Wednesday, June 27, Yankees vs. Cardinals; Thursday, June 28, Red Birds vs. Red Sox.

The schedule of games for the month of June in the Senior League is as follows: (Home teams are given first.)

Wednesday, June 13, Indians vs. Phillies; Thursday, June 14, White Sox vs. Dodgers; Wednesday, June 20, Phillies vs. White Sox; Thursday, June 21, Dodgers vs. Indians; Wednesday, June 27, Indians vs. White Sox; Thursday, June 28, Dodgers vs. Phillies.

According to Little League rules, any boy missing more than two games in succession without a reasonable excuse will be dropped from his team.

Rio Takes Hondo In Thriller

The Rio Medina Tigers came to Hondo last Saturday night full of ambition to erase their loss to last place Quhi and, they were successful, as they took the Hondo Braves 7 to 4. It was a fine contest and a hard one for the Braves to lose as they had a number of chances to drive home some badly needed runs, only to have Rio hurler Bippert rise to the occasion and close the gate.

The Braves were beaten by some fine pitching as Bippert was definitely right. Harold Schweers worked a fine game for the Braves and a tighter defense and a throw or two to the right base would have cut the Rio run total.

Bippert allowed only 5 hits and struck out 12 hits and struck out 6. Rio jumped off to 4 runs in the 1st two innings and Hondo tied it up in the 4th as the Braves' new shortstop homered over the left field wall. The box score is as follows:

Rio Medina	AB	R	H
D. Wengenroth, lf	5	1	2
R. Haby, 3b	4	1	2

Local People Hold Reunion At Pablo's

The twenty-third annual reunion of the Schweers-Balzen family was held at Pablo's Grove, San Antonio, last Sunday with approximately 200 persons attending.

The Rev. Fred Brucks of Kerrville, was the morning speaker. A basket lunch was served during the noon hour.

C. H. Schweers, chairman, called the business meeting to order and newlyweds and babies were introduced along with members of the original family.

Officers elected for the coming year include Harry Schweers, chairman; B. G. Wiemers, vice-chairman; and Mrs. John R. Wentz, secretary-treasurer.

Representatives of families elected were Ella Reilly, Henry Schweers family; Bill Burgin, Saathoff family; Mrs. Fred Bohmfalk, Willie Schweers; Dora Nehr, Heyo Schweers family.

New babies baptized at the services were Mark Alan Maddox, son of M&M Bobby Maddox; Eloise Kay Bohmfalk, daughter of M&M Clifford Bohmfalk; Steven Michael Rountree, son of M&M Louis W. Rountree Jr.

The program closed with the entire group singing "God Be With You Till We Meet Again."

Memorial Day Events Will Be Made Annual

Impressive Memorial Day services, sponsored by the Lions Club, were held in the D'Hanis cemetery May 30.

The Rev. O. B. Kahlich gave an appropriate address in which he paid tribute to servicemen buried in the cemeteries of D'Hanis. He concluded with a roll call of the dead and a mixed choir sang "Faith of Our Fathers" and "America."

American flags were placed on graves of veterans in preparation for the ceremony which they plan to make an annual event.

SPEAKING OF SPORTS

By Dr. John H. Jennings

The Junior and Senior baseball program gets started this next Monday and the boys are really ready. The manager situation is about cared for (though 2 or 3 more are needed) but a number of umpires are still needed.

The teams have tried to have workouts and will have practice sessions throughout the season to supplement the schedule, which brings out this story. Seems Gregory Meyer went out for his team's practice, and came home with this statement: "boy, I got it made". His Dad wanted to know why he was so confident and young Greg said "huh, we work out, and they bring ME home in a Juaguar". Seems one of the managers (Lt. Shelton) has a Juaguar and the boys are impressed with it.

HURRICANES

The current softball girl Hurricanes were edged out by a group of former Hurricanes... though they borrowed Neil Nixon to do it. The girls have been playing a number of ball games... you would enjoy seeing them... for they enjoy playing.

LEGION TEAM

The local Hal Jones Post American Legion team got off to a fine start last week by turning back the Thomas Jefferson Legion nine. Mgr. J. G. Barry has himself a pretty fair collection of young ball players from Medina County and hopes are high that the club can advance in the state play offs. Francis Lutz of Castroville handled the pitching chores and he turned in a fine ball game.

Then, Tuesday night, the Legion teams defeated HAB of Hwy 90, 12 to 10. Louis Lutz of D'Hanis worked the first two innings and then Bradford Bush of Devine took over. Bush was wild at first but then settled down to pitch good ball. The Legion jumped off to a 5 to 0 lead—the Base came back to take a 10 to 6 lead before the Barry Boys fought back for the 12 to 10 victory. All the boys hit the ball well and this gives added encouragement to the Legion's possibilities.

The Legion plays a game here tonight at 8 against the Alamo Heights American Legion team. Then next Tuesday, June 12, the Uvalde Legion team will play here at 8 p.m. The plan is for the Legion to play each Tuesday and Friday night—and most of the time it will be here. A return game will be played in Uvalde Friday, June 15.

Mgr. J. G. Barry will have to leave the club for about three weeks while he takes some Air Force Training in Georgia... but the team will continue to play in his absence.

THE BRAVES

The Hondo Braves continue to be snake-bit as far as wins go, as Rio Medina delt out a 7-4 loss to them last Saturday. Mgr. Parsons had been waiting for the college boys to come home for the summer—they did—but some of the other boys had asked a long time ago to be excused from play on June 2—so Parsons still found himself not at full strength... and even if they had been they probably would not have been able to beat the hot pitching of Bippert.

We continue to say the Braves are not as bad as their record indicates—just like the San Antonio Missions—they are not as bad as losing 17 of their last 20 games. The only thing the Braves have lost so many (7 games) they are beginning to believe they just can't win, and it shows up in some lifeless play. A little more fire and hustle and they might make a go of it yet.

HWY. 90 DOINGS

LaCoste was idle last week—so they remain alone at the top of the heap. Castroville and D'Hanis both came thru with wins over HAB and Quhi to deadlock for second place. Castroville beat the HAB 9-7, and though we do not have the whole story, we understand Big John Brose had to leave the game in the sixth when he tore the skin off a finger on his pitching hand—and the Falcons loose defense also aided the Indians cause.

Hondo's FFA Rated Silver Emblem Team

The Hondo Chapter of Future Farmers of America has been rated as a Silver Emblem Chapter. Others receiving the award were Granger and Neuces Canyon.

The Florence chapter was selected as outstanding chapter in Area VII, based on its completion of the program of work set up by the state Future Farmer organization.

Other chapters in the area rated as Gold Emblem were Luling and Jarrell.

San Saba, Taylor and Richland Springs chapters received honorable mention.

Falcons Take Win Sunday

The Castroville Indians won a 9-7 victory over Hondo Air Base's Falcons Sunday in what started out to be a pitchers duel.

The Falcon's polished Defty Brose and Castroville's hard throwing right hander R. Keller, pitched fine ball for the first five innings. But, in later innings, the game erupted into a slugfest.

For five innings, Brose held the Indians hitless and runless. Then, in the sixth, the Indians scored four times on two hits, two Falcon errors, one passed ball and an intentional walk.

Castroville secured the game in the seventh when a five-run burst tallied on four hits and two walks.

Keller matched Brose's "classy" twirling almost pitch for seven innings. However, the Falcons came to life in the eighth and scored five runs on four hits and two walks.

Big Don Biediger relieved Keller here and easily put out the fire, closing the gate on the Falcons in the ninth with no base runners.

The Falcon's Ranole got the only homer of the game.
